

**One Shelf, Three Sided Cart**

- Distribution**
- Stocking**
- Work-In-Process**
- Display**

This heavy duty folding cart is highly adaptable for a number of applications. Its open design and tilt back feature allows a large volume of material to be moved by one person. The patented slam latch doors are used to secure loads during transport but are easily opened for access to the product. When this cart is not in use, the right side and base fold for compact storage.
