

One Shelf, Three Sided Cart

- Distribution**
- Stocking**
- Work-In-Process**
- Display**

With its low profile and large center mount casters, this one shelf, four sided cart is ideal for deliveries where small door entrances are the only point of access. This cart also features a hinged back which facilitates efficient order picking, loading and in-store stocking. Additionally, the hinged back adds load handling stability during transit. With a 1,200 lb load capacity, your products will be distributed and stocked safely and efficiently.
