

**Three Shelf, Three Sided Cart**

- Distribution**
- Stocking**
- Work-In-Process**
- Display**

This folding cart is primarily used for the display of eggs in grocery/supermarket locations and is able to handle 360 dozen egg cartons. Equipped with 3 zinc plated sheet metal shelves and 4 swivel casters for easy maneuverability in the back of the dairy case. The top shelf locks in an intermediate position to allow for safe and easy access to the second shelf. All shelves are sloped for product retention purposes. When the cart is not in use you can fold it away for compact storage.

Secondary to displaying eggs, this cart can also be used for stocking, distribution and work-in-process needs in other industries/facilities
