This multi-purpose, heavy duty, zinc plated cart is used to move product internally and externally. Featuring 2 sloped shelves with a 31" clearance and 1,200 pound total capacity this cart is able to handle transport and protect products of various sizes and shapes. Folding to a depth of 7-1/2", this cart can be stored away in racks or nested in an L-frame when not in use. With 2 swivel casters and 2 rigid casters, the operator is able to maintain total control of the cart. Additionally, this cart features a document pocket on the right hand side for easy identification.
